How to Locate a Lab in the Select Lab Network

Locating a laboratory in Blue Cross and Blue Shield of Alabama’s Select Lab Network is easy on our website, AlabamaBlue.com. Follow the steps outlined below.

1. Select the “Find a Doctor” tab at the top of the Blue Cross home page.
2. Choose “Other Facility or Supplier.”
3. Choose “Select Lab” from the drop-down box under “Networks and plans” and select the desired distance below. Then click the green “Update Search” button.
